Re: Acceptance of voluntary surrender of medical license

Dear Dr. Borgen:

On August 18, 1988, the Iowa State Board of Medical Examiners considered the acceptance of the voluntary surrender of your medical license which was tendered by you on or about the 16th day of August, 1988. Following such consideration and a review of the circumstances from which your voluntary license surrender resulted, the Board voted to accept the voluntary surrender of your license as tendered.

Accordingly, the undersigned Director of Public Health hereby accepts the voluntary surrender of your license to practice medicine and surgery in Iowa which was issued on August 22, 1930, as evidenced by certificate number 11313, which is recorded in the permanent records in the office of the Iowa State Board of Medical Examiners.

You are advised that the voluntary surrender of your license has the same force and effect as an order of revocation.

Dated this 19th day of August, 1988.
